Welcome to Our Resort Family

We are excited to welcome you, as owners at Holiday Inn Club Vacations™, South Beach Resort and Holiday Inn Club Vacations, Smoky Mountain Resort (formerly Crown Park Resort), to the Holiday Inn Club™. You have much to be proud of, as your beautiful and well-managed resorts are in very desirable locations.

We have created this site to help you transition to Holiday Inn Club, and look forward to providing you new vacation experiences. You'll be impressed by the many new benefits coming your way in the next year as a member of the Club. Until that time, the site will be an important source for the latest news and information about your transition. It will also direct you to online resources to help you become more familiar with the Holiday Inn Club. Be sure to check back often, and see the links at the top of the page to learn more.

As the newest additions to our timeshare family, you join an exciting and growing network of Club Member Resorts. We now have over 2,750 villas and units and more than 47,000 members who are passionate about their vacations!

This network includes our 1,450-acre flagship resort in Orlando, FL, the largest single-site timeshare resort in the world, and properties in Panama City, FL, Lake Geneva, WI, Brownsville, VT and now Myrtle Beach, SC, and Gatlinburg, TN. As strong believers in the value of family vacationing, you can rest assured knowing that we will continue our long tradition of providing our members, guests and their families exceptional vacation experiences.

Below are a few important points to remember:

- Please be assured that your ownership, including the unit size, season you own and points that RCI has assigned to your ownership, will not change.
- We recently entered into an exclusive licensing agreement with InterContinental Hotels Group (IHG), owners of Holiday Inn® and several other top hotel brands. Together, we created the new timeshare brand, Holiday Inn Club Vacations. To learn more about our new brand and Club Member Resorts, please see the links at the top right of the page.
- **Your full transition into the Holiday Inn Club™ will occur on February 1, 2010.** At that time, you will receive access to Club Member Resorts and all the flexibility and benefits that come with your membership. For all reservation requests, including external exchanges, **you will continue to call RCI through January 31, 2010.**
- To help ensure your smooth transition into the Club, please note the following:
 - For 2009, your RCI membership dues of \$124 will be billed by, and paid directly to, Holiday Inn Club and will continue your existing RCI membership and benefits. If your RCI Points anniversary/renewal date is February or later, **DO NOT** pay your membership fees directly to RCI. Holiday Inn Club will pay your membership fees to RCI for 2009 and beyond.
 - Only members with a January 2009 anniversary/renewal period will be invoiced by RCI, and should pay RCI directly for 2009. All other members will be invoiced by Holiday Inn Club and payment will be remitted to RCI on your behalf for all future RCI dues.
